

Dear Godly Family,

Om Shanti and divine greetings from Brazil. On May 19th, we celebrated 30 years of BK service in Brazil with a lecture from Br. Ken: "Meditate and tighten the screws of the soul."

We had three musical presentations in the program.

Br. Rodrigo Ambros represented all the BK teachers who have been extremely cooperative through all these years. Right after there were testimonies from Baba's VIP contact soul on the screen which were wonderfully prepared.

Sr. Tereza Mello conducted a meditation commentary in which there was a very special moment. On the screen, a short video showed the "screws" of the souls that appeared on the invitation brochure being transformed into flowers, and then into light. (this short video can be seen at http://www.bkumaris.org.br/videos/medite_2.avi)

After that, a cake was taken to the stage, followed by 30 BKs dressed in white and with a rain of silver confetti.

Sr. Luciana was the hostess, presenting BK, Br. Ken and sharing her personal experience.

There was also a special gift from the Drama: The surprise visit of Ricardo Collier, the person who originally invited Brahma Kumaris to Brazil and who currently lives in California – he was visibly moved.

There were 500 to 600 people in the event.

At the end, there was the launching of a new book on leadership by Bro. Ken and Toli for all.

With the gratitude of having written together this successful story,

Bro. BK Ken

Sis. BK Luciana
