Dear Family  
Om Shanti

We are happy to give this good news to you all that today at 10.30 am around 2000 contact souls gathered at " Peace Park " Mumbai Ghatkopar to attend the " Brahma Bhojan " arranged on occasion of 41st World Peace Day . Though it being a " Mumbai Marathon " Day today as well as a Sunday , its a big thing that non-bk souls took time out to attend such an event .

The whole Peace Park was turned into a " White Park " with lots of efforts put in by all BK's brothers & sisters . Replicas Of " 4 Dham " are made to make people experience importance of madhuban . There is a beautiful " Baba's Room " , " Baba's Hut " where one can go and write letter & put it into Baba's Box & pick up one " Blessing Card " . There is a replica model of " Tower Of Peace " at the center of park which attracts lots of people towards it, and makes them feel as though they are in mount abu . Lastly the long umbrella which is 80 feet x 45 feet , has been turned into History Hall " with huge size pictures of "Yagya's History " on both sides . So in a way it was a very very pleasant & peaceful experience for all today .

At the entrance all were applied " Chandan Tilak " on their forehead & thereafter they were shown a small " Video " on life of Brahma Baba . Later on Respected Nalini Didi & Nikunj Bhai ji both spoke for 5 minutes each and welcomed them to the divine family . At the end all the people gathered there donated 3 minutes of " Silence " for the victims of " Haiti Earthquake " who lost their lives .

It was a memorable experience for all who witnessed this unique beautiful event today . Om Shanti
