

Greetings of peace from Secunderabad

With inspiration from Bapdada's murli to celebrate the 74th Shiv Jayanti in a grand way so that no corner or soul is left out from getting Baba's message and all of your blessings, we have organized a 5-day Shiva Avataram Mahotsav in Secunderabad.

The festival was inaugurated by Nurasimha Bharathi Swamiji of Pushpagiri Peetam on February 2010 at Cantonment Grounds, Beside Jubilee Bus station, Secunderabad on the occasion of the 74th Shiva Jayanti. For this Mahotsav, the Cantonment Grounds has been transformed into a holy place of worship, learning and enlightenment. We are creating a replica of the Amarnath lingam as the main attraction of the festival along with the Dwadasha Jyotirlinga and 108 Shivalinga Darshanam. More than 1 lakh fliers have been printed to invite everyone in the twin cities to join in the festivities, experience the spiritual vibrations and get Baba's message. We are also creating a Maha Yagya Kund which will give each visitor an opportunity to understand the significance of Yagya and also practically rid oneself of any weakness or vice through an offering into it. Along with it, we are also organizing a Free Medical Checkup and Diabetes Camp on the premises for the benefit of the visitors. The mahotsav also has audio-visual shows and spiritual exhibition stalls. We are expecting a crowd of at least 200000 through the five days to stop by the mahotsav.

For those interested in learning more about meditation, we are also encouraging them to register for the 3-day meditation camp which is being offered three times a day at 7:00am, 10:30am and 7:00pm.

While this program was being planned, we unexpectedly also got another opportunity to give Baba's message to many more of his devotees. A huge 108 feet Shiva Linga has been created at the Gymkhana grounds in Secunderabad by an organization in which we had the opportunity to take two stalls. 500000 bhaktas are expected to visit this shiva linga and they will all get an opportunity to get Baba's message through our stalls there.

Please find attached some pictures of the structure and inauguration of the main program site at Cantonment Grounds and our stall at the Gymkhana Grounds. Please bless the location, the sevadhari and all visitors so we can also move one more step towards revealing Baba and his activities.
