

Om Shanti and Loving Greetings from the family at Om Shanti Retreat Centre, Gurgaon (Delhi Zone).

With Dadi Jankis inspirations and the blessings of all seniors the **First Inner Space - Brahma Kumaris Information cum Meditation Centre was inaugurated in Gurgaon on 12th December 2012.** It was Dadiji's thought for a long time to have such a place around Delhi and the power of her thought has made it possible. Inner Space is a small building with four floors (literally teen pair prithvi on each floor) which was rented a while ago at Gurgaon. It took about a month and a half to complete renovations and finally Babas information centre was inaugurated on 12/12/12 considering that the date was auspicious. Inner Space has generated lot of enthusiasm in the hearts of all the brahmin family of Gurgaon and everyone has been sending their good wishes for its speedy completion and opening. The ORC team worked hard to set it up - On the basement there is a small Babas room and a library for both BK students as well as visitors who love reading. On the ground floor is Babas book shop and on the first floor is a tiny seminar room with capacity for about 25 persons. The inauguration programme was held at a nearby banquet lawn that was beautifully decorated and lit up. Around 300 brahmins and some local guests were present for the ceremony. The mayor of Gurgaon was the invited Guest and senior sisters including Sr. Asha, Sr. Gita, Sr. Sundri and Sr. Sudarshan of Delhi gave their good wishes and inspirations for Babas new project.

***Please find attached photos of the event.***

We sincerely thank all the seniors for your love, guidance and unconditional support.

Thanks and Warm Regards,  
In Babas Loving Yaad,
