Dear Spiritual Sisters and Brothers,

Om Shanti

It was clearly Baba's magic as we witnessed the visit of Hon'ble Chief Justice Mr. A.K. Sikri, Chief Justice of Punjab & Haryana High Court to ORC along with his wife and around 60 other very senior dignitaries including other high court judges, several sessions judges and all senior officers of Gurgaon and Pataudi District Administration on Babas Smriti Divas ie. 18th January 2013. The guests agreed to visit us on a very short invitation which was extended that day itself a couple of hours before they actually came. It was heartening to see the amount of spiritual thirst that the souls had and were very keen to understand & experience meditation. Hon'ble Chief Justice also shared the importance of meditation in mediation and also how essential it was to be spiritually mature so that one can be a good mediator. He also very willingly went through a brief meditation experience conducted by the Brahma Kumari sisters. The entire group was then taken on a quick tour of the campus which was followed by tea and refreshments.

Some of the dignitaries who were present were :
