

SpARC Service Report

Respected Divine Bro. Rameshbhai ji,

Om Shanti and heartfelt thanks for all your best wishes with which we were able to conduct 2-days SpARC Retreat cum Training at Happy Village Retreat Centre in Chennai for Tamilnadu Zone on 19th and 20th of October, 2013. It was indeed a dream coming true. First time such a program was planned and great flow of enthusiasm was experienced. Around 500 BK's from different parts of Tamilnadu were there in Happy Village including many Teachers and some sevadharis too who were very keen on attending sessions after finishing their respective duties. It was an overwhelming response from everyone.

The faculty – by the grace of Drama were 6 altogether. – Ambikaben, Snehaben, Chhayaben, Hemlataben, Ajaybhai and Shrikantbhai - to give Madhuban feeling.

Ambikaben took a very deep class on -“ Sarva sambandhon kaa ras – Shreimat ka Sacchrin” which was highly appreciated. She also answered few questions and gave Inspirations in Inaugural session. There were sessions on – “Vyarth se mukt – second mein full stop “, “ Importance of creative visualization in yoga,” “ How to design a Project,” “ How to form L.C. “, “What is SpARC and what are its activities / benefits,” “Mission Perfection”, “ Research activities with other Institutions “ “ Q & A “ etc.

Sunday we had a lovely Amritvela - Marriage to Baba – “Ekavrata” by sitting on His Heart-throne.

The Mind scanning machine and the MASS Exhibition became Special highlights of the program.

In future, there is a wish of many to conduct such program every year. Teachers are keen on starting Local Chapters in their centres. Hope SpARC will go ahead very fast in the zone now onwards.

Sending you few photos of the retreat-cum – training. The CD & DVD is getting ready yet.

With hopes to grow fast with Baapdada's blessings and Good wishes from seniors like yourselves , we look forward to conduct many more activities....

Regards and Thanks again from the heart
