

'Brahmakumaris' Sends ' 5.2 Tonne of Relief Materials' in its 3rd Lot to Nepal For Earthquake Victims By Rail From Mumbai to Raxaul

Dear Media Family
Greetings from Mumbai

This is for your kind information that today at 15.50 pm Brahmakumaris has sent **"5.2 Tonnes of Relief Material"** for Nepal Earthquake Victims on a train from Mumbai to Raxaul by '15268 DN- Jansadharan Express'.

Apart from this, Brahma Kumaris Global Hospital Mumbai has sent team of professionals and material (medical) assistance for the victims of the Nepal Earthquake. We are fortunate to have as our partner, 'AmeriCares India' which had already sent their team to Kathmandu. AmeriCares India is based in Mumbai and its primary mission is to deliver medicine, relief supplies and health care to the people in crisis.

We are also fortunate to have Dr. (Ex-Major) Gopal Mahadeo Shinde and Dr Shrinivas Yemul (Orthopaedic Surgeons) and Dr. Harishchandra M. Sakhare (Anaesthetist) join our first team as volunteers who reached Kathmandu on 1st May 2015. They have already performed a large number of surgeries. They are also participating with other international volunteers from South Africa and Nepal.

Our second team of five specialists from Brahma Kumaris Global Hospital Mumbai, has left today: Dr Phulendra Kothari (Physician), Dr Shankar Kanthe (Surgeon), Dr Leena Chokhani (Anaesthetist), Dr Abhijit Jadhav (Orthopaedic Surgeon) and Dr Surendra Seth (Physician).

Our sincere thanks to All who have helped us in achieving this task. We look forward to send more help with everyone's support as and when we receive official intimation from Nepal Government.Om Shanti.

On Behalf of Whole Team At
Brahmakumaris Disaster Management Services &
Global Hospital & Research Centre
