

Service News: Guangzhou, China

BK Sister Sapna was invited to conduct a session on Healing power of Meditation and Emotional intelligence in a large scale Public welfare camp organised by a Spiritual Research and sHealing Centre who conducts spiritual seminars all over China.

This camp was organised at three main cities of Guangdong province of South China, where thousands of souls participated and Sister Sapna was invited at all the three places (Guangzhou, Foshan and Shenzen)

Guangzhou: The session was conducted on Healing power of Meditation for 1500 participants

Shenzen : The session on Emotional Intelligence & Spiritual Intelligence was conducted for about 1300 people

Foshan : The session on Meditation & Inner Strength was conducted for about 1200 people

It was a great chance to give spiritual message to many souls.
