

## **Didi Chakradhari's recent visit to centers in Dallas -Texas and Oklahoma.**

The BK Dallas family was very fortunate and grateful to BK Sr. Ranjan for inviting and arranging Chakradhari Didi's visit to Farmers Branch – Dallas Center, Tapasya Dham Retreat Place- Pilot Point, Arlington Center - Texas, Cedar Park-Austin-Texas and Edmond Center- Oklahoma, in the end of the month of May,2018. She was accompanied by Bharti Behan (from Lotus House - Ahmedabad).

**Tapasya Dham Retreat Place**-The Brahmin family had the fortune of attending a retreat in which the theme was "From Limited to Unlimited". In this retreat apart from Didi's talk, Sr. Ranjan interviewed Didi which was very interesting and beneficial. Many of Didi's experiences with Mama and Baba were also shared in the morning classes. During this visit Didi gave many public talks on topics like - **"Solving Inner Conflicts"**- in Dallas, Cedar Park- Austin and in the Oklahoma city Downtown Library.

**"Self Unfoldment -a special event for women's empowerment"** - in which she talked about how to tune in to the innate qualities of one's real self and learning the art of balancing daily responsibilities and fostering self growth - Dallas Center

**"Attainments through Raja Yoga meditation"** - Arlington center

We are all very grateful and thankful to Chakradhari Didi and Bharti Behan for taking out their time to visit us. Chakradhari Didi's loving and humble nature and her words of wisdom has touched the hearts of many souls in making self effort and self progress.
