

'God of Gods' Movie's National Launching Held in Delhi

--Interfaith Leaders prayed and appealed for early release of Wing Commander Abhinandan--

New Delhi, Feb 28

On the occasion of Maha shivratri in the coming week, the national launching of the movie "God of Gods" produced by films division of Brahma Kumaris organization was held at Odean Cinema, Connaught Place today.

By lighting lamps, prominent interfaith leaders jointly launched the movie for the country and opened it for media preview. The movie will be released in PVRs and Cinema halls across the country by Wakao Distributors, in early March.

This one and half hour film is based on unique theme of "God's love and journey towards country's love" and basic fundamental values. It encourages the principle of universal brotherhood which is the most demanding in present critical times especially amidst growing tensions between India and Pakistan. The film was appreciated by interfaith leaders and appealed to be translated and widely distributed in India and overseas.

Mohd. Iqbal Mullah, National Secretary, Jamaat-e- Islami Hind, said humanity and brotherhood is the basis of all religions. This film endeavours to showcase the underlying objective of all religions to bring peace, love and unity. He mentioned that as hindus, muslims, Christians and other religions, we are brothers, so we should not opt for violence to fight or resolve differences.

H.H. Swami Servanand Saraswati, Maha Shakti Peeth said, this film is helpful in removing the myths of different religions and help us in building peace and discipline in our countries.

Dr. M.D. Thomas, Institute of Harmony studies said we belonging to different religions need to walk hand in hand in present times. This film would help us in bringing us together under one umbrella and reminding when God is one, we need to execute our thoughts towards building harmony and peace.

This film is a beautiful reminder to get back to our basic fundamental values of humanity. This movie has come out an opportune time and gives a platform to introspect our faith and belief in God and values, not only above us but each of us.

Dr. A. K. Merchant, National Trustee Lotus Temple and Bahai's community of India said that this movie is inspiration to bring unity amongst the different religions and showcases the integral objective of all religions. The Upanishads also gives a message to remain united and peacefully find solutions to challenges of today's times. This will be helpful in creating a healthy society.

It is a valuable process of educating the people, especially the young generation to perceive the understanding of oneness of God.

The central theme of the film is to achieve the essential unity of 1.3 billion Indians irrespective of their diverse faiths for country's peace, progress and well being through the recognition and realization of universal brotherhood under spiritual fatherhood of one incorporeal Supreme Soul, God.
