

Om Shanti
Dear Divine Family

On 14th January 2020, there was Sneha Milan with all the surrender sisters and brothers during which Dadiji's presence has filled the entire atmosphere with the ambience of Madhuban. Dadiji said she has seen the Economy and Eknaami in this Brahmin parivar and also the Truth, Cleanliness and Simplicity was seen everywhere. She inspired everyone with her Love for GOD and Love for Service. Our beloved Hansa didiji also spoke about her journey with Dadiji and said that she got a responsible and fortunate role (taking care of Dadiji) in this drama. She said that by staying with dadiji she is filled with jewels of knowledge and power. Dadiji always sees everyone as one family. She never differentiates anyone, not even between the junior and senior BKS. She treats everyone equally. Rajyogini Padma Bhenji has expressed her love and gratitude towards Dadiji for accepting the invitation and making the event successful in spite of her ill health. She said Dadiji should be with us throughout the Sangamyug. We all will promise to Dadiji that whatever inspirations Dadi has given to us, we will implement in our life.

Later felicitation was done to Dadiji with beautiful garlands and Gold ornaments. On the occasion of 104th Birthday celebrations, Padma bhenji has gifted 104 silver Bhog boxes to Dadiji as a token of love.

At the end, Dadiji gave drushti and toil to everyone.
