During the inaugural session Sandeep Trivediji -President of Recording Club, Ajmer introduced RC theme song.

Rajyogi BK Suryamani - National co-ordinator of Divyang sewa shared the aims, objectives and purpose of the conference & the country wide efforts being made by Brahamakumaris organization in serving the differently abled people.

Rajyogi Brijmohan, Additional secretary General of Brahamakumaris addressed to give his blessings to all participants in a very motivational and inspirational way. He said that people are ignorant of real knowledge despite having eyesight in today's time they can not discriminate between truth and falsehood, those who are visually impaired are spared with many unnecessary engagements which bothers others with sight, mental eye is more sharp.

Samaram Garasiya, MLA from Pindwara said that life values can be developed faster in people who are blind. Lack of eyesight is not a hindrance in developing spiritual power.

Surendra Prasad Tiwari (Visually Impaired), of Bank of India from Bhopal, said that language and communication do not require eyesight. God has given a third eye for that. We must develop this power in life.

Dr. Vimal Kumar Dengla (Visually Impaired), Secretary , National Association for Blind, said though we are visually impaired God has given us the third eye with which we can see more clearly than the normal eyesight. Almighty always guides us on our path with all his might and light.

Rajyogini Dr. Savita highlighted that it is our sincere desire & effort that Godly knowledge should reach to all, we can see our real self and God with our inner spiritual eye or the third eye.

Stage program in Sudharshan Hall was well co-ordinated by Rajyogini BK Supriya, Editor of Daily News & Rajyogini BK Kalpana of Jaipur.
