The Brahmakuamri Centre participated in the week long (from 2nd to 7th Feb. 2010) to 6th Edition of the Festival on the Niger River in Segou (a major town of Mali, situated around 300 Kms from the Capital Bamako), where thousands of visitors from within the country as well as a lot of foreign nationals throng into the place daily.

We rented a part of the stall for Baba's service within the festival ground

Highlights of Baba's service:

1. Introduction of the organization to the visitors, Book sales, Exhibition of posters, Projection of films and Power Point presentation, games, wheel of virtues etc.
2. A meeting with Mrs. Aicha Coulibaly the Deputy Mayor of the City of Segou, she shown a keen interest on the activities of BKs. we had the opportunity to serve her at home.
3. We have been also invited by the AMNESTY International, to participate in the conference organized by them on "Death Sentence".
4. Most of the visitors from the locality enquired, if there is any Centre in and around Segou, so that they can benefit from the activities of BKs.
5. On the close of the festival, some of the students from Bamako joined us in Segou and we had a good fun time with boat riding in the river and visiting some of the nearby villages.
