Radio Madhuban Bhawan, the new studio of Brahma Kumaris' Community Radio Station inaugurated by the Joint Chief of Brahma Kumaris, Dadi Ratanmohini ji and Speaker of Rajasthan Legislative Assembly, Brother Deependra Singh Shekhawat ji.

Abu Road, 23rd May 2012 :

The inauguration ceremony of the new studio of Brahma Kumaris' Community Radio Station, Radio Madhuban 90.4 FM took place on 23rd May 2012 at Shantivan, Abu Road. This modern studio funded by the Government of India's Ministry of Information and Broadcasting for the service of the local community, was formally dedicated to the people on this day.

The details of the inauguration program were as follows :

- A flag was unfurled from the top of the 150 foot high transmission tower, via remote control by Dadi Ratanmohini ji
- Post the unfurling of the flag, Dadi ji and Deependra Shekhawat ji uncovered the plaque bearing the inauguration details, broke the auspicious coconut and then all the delegates entered the new studio
- As a representative of the Indian Government, Brother Deependra Shekhawat ji handed over the studio formally to Dadi ji
- Brother Deependra Shekhawat ji applauded the efforts taken by Radio Madhuban 90.4 FM for the upliftment and creation of a value-based society. He stated that even today there are areas that do not receive television transmission. He said that radio is the only medium that can reach people living in such deep pockets of India and praised the efforts of the Government and the Brahma Kumaris to create such a community radio station to uplift the people, educate them, inform them about government schemes and facilities as well as entertain them
- A cake was cut and the occasion was filled with a festive spirit
- Brother Deependra Shekhawat ji met all the brothers and sisters providing their talents and services at Radio Madhuban
- He then visited other parts of the Shantivan campus and learnt about the various services offered by the Brahma Kumaris Organisation
