The policemen are so much Keen to have the classes of Brahma Kumaris that want to continue in every Batch. Almost all of the policemen call up their family members to relate about The wonderful training they are getting from Brahma Kumaris. By observing their Interest the police super has organized classes for the wives of policemen as Well. Now the situation is reached to That extent that they want to extend this service in other districts like Bankura, Kolkata, Purulia etc and Jungle Mahal (Jungle areas where Maoist Revolution is going on) like Jhargram, Salboni, Pirakanta, Jharkhand along with All the police stations. Previously classes started in Medinipur East at Tamluk Police Line before loksabha election in India. After five batches classes It was stopped because of election.
