

On Shiv Jayanti, you have to tell everyone the biography of the incorporeal Father with a lot of splendour. This Shiv Jayanti is worth diamonds.

In fact, Shiv Jayanti is the true Diwali for you because Shiv Baba comes and ignites the lights of you souls. The lamp of each home is ignited, i.e. the light of the soul is ignited. Those people ignite physical lamps whereas your true lamps are ignited when Father Shiva comes.

Celebrate the birthday of Shiva with a lot of pomp and splendour. Tell people the biography of Shiva in the Shiva Temple and the praise of Lakshmi and Narayan and Radhe and Krishna in the Lakshmi Narayan Temple. Give a tactful explanation to everyone.

In order to be saved from the darkness of ignorance, keep the lamp of the soul constantly ignited with the oil of knowledge. Remove others from the darkness of ignorance
