<b>No. of Participants</b>	20		
<b>Duration of session:</b>	3 hours		
<b>Module/s covered:</b>	peace		
<b>Name(s):</b>	Brahmakumari Sister Dr Kirtimala ben , Dr S Rajeswari Rao, (Facilitator)		
<b>Background:</b>	Working at BARC medical Division Speciality; Geriatric Medicine		
<b>What went well?</b>	Every one enjoyed and involved with the facilitated experiential learning.		
<b>What did I learn?</b>	Depending up on the Venue and interest of participants selection of sessions in relevant module is very important, then there will be full involvement of everyone.		
<b>What would I do differently?</b>	I would have made visit one day earlier to the venue, to assess and plan for the programme on next day.		

**What practical tips from your learning, if any, would be helpful for other facilitators if they were to run a similar session?**

I think we just start doing the sessions, it will tell us interest of the people and how to plan further for future programmes.

**Selection of Participants Feedback**

Extremely good, and there was full involvement of everyone with the session.
