

## **Hamari Awaz Hamari Radio**

A radio awareness event was organized for the students in USB College, Abu Road. Focusing on the theme 'Radio is You' the students participated in the interactive sessions with the RJ's. The students through their skits have shown how radio can bring awareness on social evils like Child Marriage, sanitation, and gives information about different Govt. schemes in the villages. The best performance team was given a radio souvenir.

The event was graced by Mr. Ajay Singh Bhati, Director, USB College. He appreciated the efforts of team Radio Madhuban in bringing awareness in local community. He also mentioned that it is a good platform for students to hone their communication skills. On this occasion Station Head, Radio Madhuban, Mr. Yashwant Patil said radio is a good medium of education, information and entertainment and every one should listen to radio. The principals of the college, Mr. Arvind Chauhan, Physiotherapy, Kailash Prajapat of Polytechnic & Kalpesh Jain of Nursing college has encouraged the students to take part in the event and listen to radio.

It was for the first time the students got an opportunity to think on these issues and act for a social cause. Over 200 students & staff participated in the event. The team Radio Madhuban also played a skit on 'Mautana' to give them a message. RJ Vinod of Radio Madhuban has shared his experience how radio has changed his life. The whole event was appreciated by students and staff of the college. The 3 hrs event has given platform for students to speak on radio for the first time.

Celebrating this World Radio Day Radio Madhuban team with the help of local community has composed & a song "Hamara Radio Hamari Awaz" and a drama "Chintu aur Mintu" and the same was broadcasted on Radio. Through a special phone in program on radio the listeners shared their radio memories & life changing experiences with our RJs on Radio Madhuban. The whole studio was filled with the colors of happiness and experiences.
