ADDRESS OF PRESIDENT OF INDIA:

After fondly been felicitated by Brahma Kumaris,

His Excellency President of India said that Brahma Kumaris is an organisation of International repute and has high level network all over the world. The basic objective of this organisation is to give Peace, Harmony and Cordiality between Man to Man, Woman to Man and Sister to Brother. This is the ultimate objective of everyone. Human Being seeks economic growth, scientific pursuits, technological developments etc. for Happiness. This is recognised all over the world and as a result every year International Organisations observe to achieve this. Happiness and Peace are closely interlinked and which are essential. We are always appreciative of the great work rendered by Brahma Kumaris and have deep respect for them.
