**The award and appreciation letter is given for outstanding services in the field of De-addiction. Medical wing has provided training to 741 health professionals, including Deputy CMHO, Epidemiologists, IEC coordinators, district ASHA coordinator, Block ASHA facilitators, De-Addiction counsellors and health officers from each block of Rajasthan. The first batch of trainees were given training from 27<sup>th</sup> to 31<sup>st</sup> January 2018 and the 2<sup>nd</sup> batch was given training from 26<sup>th</sup> to 29<sup>th</sup> April, 2018 They were given training in spiritual approach of counselling the addicts and some other strategies to provide preventive, awareness and curative services for the addicts.**

**The government was overwhelmed with result of training as they found the health professional self-motivated. They gave more than the expected results. So government decided to give appreciation letter and SOUVENIR to the organization for its outstanding services in the field of de-addiction.**
