

Dear Divine Family,

Greetings of Peace!

Borivali (West) Centre organised a Spiritual Fair on the occasion of Mahashivratri from 28th February to 4th March, 2019. Tableaux of 'Amarnath Darshan' in the Himalayas was the main attraction, with tapaswi-swarup Shankar-Parvati, and a Sanyasi (played live) - all nestling in the lap of Himalayas by the side of 'Amarnath'.

The focus of the event was - 'Putting a Full stop to the Past' and 'Living in the Present' as the prime need of today's times. Through a separate narration and video, Brahmakumaris explained the Karma philosophy- 'As you sow, so shall you reap', and that God- like a responsible parent - only gives Knowledge and Power (shakti) to make His Children - so that they can handle life situations on their own. The Fair also gave visitors an opportunity to experience 'peace' thru Meditation, and 'feeling lighter' through offloading their worries by writing a 'Letter to God'.

More than 10,000 people visited the Spiritual Fair. Also, Mr Gopal Shetty, Member of Parliament and Mr Shankarvaar, Deputy Municipal Commissioner visited. Prominent VIPs were invited for Candle Lighting events and got benefit of Godly knowledge.

The fair is now followed by a 14 day meditation course 'Awakening with Brahma Kumaris'. We are happy to share that around 700 souls are coming daily to take benefit of it.

BK Bindu Ben, Centre Incharge and all sisters and brothers took part enthusiastically in organising the Fair.

Popular TV Channel 'Aaj Tak' covered the event, as per two links-
