Press Release

## **WORLD ENVIRONMENT DAY CELEBRATED BY BRAHMA KUMARIS IN MOHALI**

Mohali, June 6 : World Environment Day was celebrated with fanfare by Brahma Kumaris in Sukh Shanti Bhawan Phase 7 here yesterday evening . A Online Talkshow to celebrate the Day was organized which was presided over by Brahma Kumari Rama Co- Director, Rajyoga Centres, Mohali-Ropar Circle. Mr. Jitender Sharma IFS Principal Chief Conservator of Forests Punjab was the Chief Guest and Mr. P.S.Bhogal former Director Water Resources and Environment Punjab was Guest of Honour. Rajyogini Brahma Kumari Premlata Director, Rajyoga Centres Mohali-Ropar Circle planted a tree in Sukh Shanti Bhawan Campus to save the environment. Brahma Kumari Suman and Brahma Kumari Meena were the penalists in the Talk Show. Kumari Rubayat presented poem and Kumar Kovid presented song on this occasion.

Brahma Kumari Rama in her presidential address said that outer environment pollution is the outcome of inner pollution of mind. Mind is polluted due to lust, anger, greed, attachment and ego . Thoughts affect the outer environment. Rajyoga Meditation can enhance our inner power and efficiency. It can help a lot to make them positive, she claimed. She further said positive life-style promote unity, universal brotherhood, peace and reduces negative tendencies.

Mr.Jitender Sharma IFS Principal Chief Conservator of Forests Punjab emphasized to change the present lifestyle to maintain harmony with nature and its protection.

Brahma kumari Suman on this occasion said that it is our duty to protect the mother earth. Our thoughts affects health and national economy too. Hence selfish traits require to be curbed for healthy environment.

Brahma Kumari Meena urged to save water, petrol and use of plastic. She explained that Brahma Kumaris are organizing various campaigns to create awareness among people to protect environment. She quoted example of Mount Abu Shantivan where Solar Energy Plant was catering needs of over 25000 people daily for preparing food and hotwater.

Mr.P.S.Bhogal former Director Water Resources and Environment Punjab gave good wishes and said that Oxygen and water are best gifts of God on earth not only human beings but for all creatures. Brahma Kumari Aditi conducted the Talk Show.
