

India's 77th Independence Day 2023

About 100 people gathered at the Consulate General of India in Denpasar, Bali, on the morning of August 15, 2023, to witness the unfurling of the Indian flag and to hear the Address to the Nation by the Honorable President of India, Smt. Droupadi Murmu, on India's 77th Independence Day.

There were also performances of Indian dances and songs by school children. The event was a beautiful blend of artistic expression and insight into India's cultural and spiritual values, such as peace, harmony, unity, strength, and spirituality.

At the end of the event, vegetarian breakfast was served to the attending participants. B.K. Sister Janaki and other BKs also participated in this very auspicious celebration.
