On February 31-6, a group (18 souls) of BK Chinese, led by Didi Sapna and Didi Sarika came to celebrate Chinese New Year at Peace House Denpasar Bali.

This event opened with dancing and singing from the Chinese group and Peace House Denpasar family which created an atmosphere full of love and joy. This was the first time that the Peace House family had participated in celebrating Chinese New Year. It was a joyous festival with full of fun and laughter.

During the retreat, participants attended inspiring classes led by Didi Janaki & Didi Sapna. As well as yoga experience sessions, workshops and silent meditation sessions in nature guided by Didi Sapna and Didi Sarita which deepened the experience of silence and also spread vibrations of peace.

The group also had the opportunity to go on tours to the beaches for reflection and meditation.

They also had the opportunity to visit and meet the BK family of Gianyar Centre.

The closing ceremony was held in a unique and special atmosphere where all participants were given crowns, shawls, blessings and tolis.
