# UNIQUE BOOTH FOR GODLY SERVICE

*The Brahma Kumaris booth at the event was one of the most colorful and yet at the same time had a royal and spiritual look about it.*

*It was prominently visible from a distance, as if God was announcing his arrival.*

# VIRTUESCOPE: AN ATTRACTION

*One of the main attractions at the Brahma Kumaris stall was the VirtueScope Wheel. Everybody just loved to spin this and discover something about one of their virtues and how to use it in day-to-day life.*

# TEST YOUR MEMORY & EARN A BLESSING

*The game on Memory through remembering and unearthing Blessing Cards was a favorite with many — children, adults alike, across cultures.*

*They took-away a wonderful Blessing card for themselves, to be used everyday.*

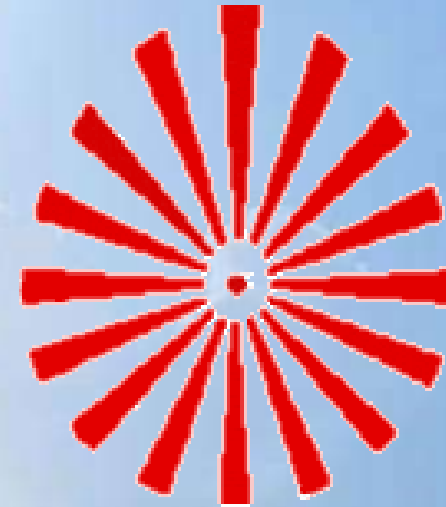

# ON-STAGE MEDITATION

## THEME: INNER & WORLD PEACE

*The Raja Yoga Centre was invited on the stage to introduce the organization and conduct a Meditation. We chose to do the Meditation on Inner Peace & World Peace.*

**A BIG THANKS to the organizers – MXN for giving us this opportunity.  
The BK Family of all Centers in Hong Kong came united for this service.**

**Thanks a Lot to BapDada for  
giving us such a wonderful  
service opportunity.**
